Since its commencement in 2005, CPHGROUP has been successful with numerous and diverse projects for international organizations, such as the United Nations (UN) and the North Atlantic Treaty Organization (NATO), in conflict and post-conflict countries in Central Asia, the Middle East and Africa.

CPHGROUP operates within three core business areas: facility management (Copenhagen Contractors), electoral support (Copenhagen Election) and armoured vehicle fleet supply (Copenhagen Global).

CPHGROUP has permanent offices in Denmark, Jordan, Kuwait and Afghanistan.

Copenhagen Contractors A/S supports military deployments internationally. The company's core competence is facility management, but we also offer service agreements and customized solutions on buildings, camps, vehicles and provision of supplies worldwide.

Copenhagen Global A/S provides vehicle fleet procurement solutions to the international community operating within the aid and development market in partnerships with quality vehicle manufacturers. Copenhagen Global holds framework agreements with several governments and international organizations, such as the Danish and Norwegian

Ministry of Foreign Affairs and the UN, for the supply of armored vehicles, trucks and related services worldwide.

Copenhagen Election A/S specializes in the design, production and delivery of election materials and related logistical services to international organizations, such as UNDP and IFES, and national election commissions worldwide. Copenhagen Election has a long-term agreement with the UN for the supply and delivery of election equipment and materials, which affords us with a great deal of know-how in procuring and distributing election equipment and materials throughout the world.
